Opinions on 3116 cat | Downeast Boat Forum I checked the fuel pressure at the primer pump filter and it was only 15 PSI and should be 25. I can only find one fuel filter and can't find the other. I have looked for a diagram of the engine everywhere online and can't find it to find where the second filter would be. The one I replaced was not collapsed.

Trouble with cat 3116. fuel problem. Originally started ... If a Cat Diesel Engine doesn't have good fuel pressure it can cause a lot of performance related issues. This video goes over the proper component identification and troubleshooting for most Cat ...

Caterpillar 3116 / 3126 Adrenaline - DieselSite Get a Cat tech to put a sight glass on the fuel line and that will quickly tell you the state of the injectors. Money well spent to have someone with the expertise check it out. I have had very good luck with Cat 3116, 3126 engines in both trucks and boats.

3116 and 3126 Truck Engines Fuel Pressure Regulator ... trouble with cat 3116. fuel problem. Originally started with bad fuel and it appears to be getting worse. "bogs down" with load initially and recently gas tank pulled away, and I lost prime for sure, but i have changed fuel filters. I'm stranded on the side of the road now.

CATERPILLAR 3116 Engine For Sale - 90 Listings ... Cat® engine pistons and parts must endure incredible stresses and extreme temperatures. That's why we continually improve design and manufacturing processes.

3116 Caterpillar Diesel Engine Specifications | It Still Runs On Aug 12, 2012, a question titled '3116 won't start' (5357) was added to the Caterpillar forum on Diesel Talk.

How To Troubleshoot Cat Fuel Systems and Test Diesel Engine Fuel Pressure. The Caterpillar 3116 is a turbocharged diesel engine used for marine propulsion. It can be used alone or in tandem to power boats and is compatible with a number of different Caterpillar marine transmissions that can provide faster or slower acceleration depending on a vessel's intended use.
