Fuji Polaris For Sale - Snowmobile Engines

Many of the engines that power Polaris ATV's are liquid cooled, single cylinder, SOHC 4-stroke units manufactured by Fuji. The 400, 450, and 500 cc engines are nearly identical outside of bore and stroke. The newer 550 engine is updated, but some of these tips still apply. The 570 engine has a DOHC head and unrelated for the [...]

Polaris Fuji Engines 400-500 - Cyclepedia

On my 1999 Polaris 488 fan cooled when it's running it won't pull air and gas through the carb on the pto side actually blows it out so it ends up running on one cylinder. It has good compression both sides spark both sides fuel both sides (swapped carbs,plugs,plug wires one side to the other with no change)

On my 1999 Polaris 488 fan cooled when it's running it won ...
