A History And Philosophy Of

Philosophy of history, the study either of the historical process and its development or of the methods used by historians to understand their material. The term history may be employed in two quite different senses: it may mean (1) the events and actions that together make up the human past, or

Philosophy of history | Britannica

Philosophy of history is the philosophical study of history and its discipline.The term was coined by French philosopher Voltaire.. In contemporary philosophy a distinction has developed between speculative philosophy of history and critical philosophy of history, now referred to as analytic.The former questions the meaning and purpose of the historical process whereas the latter studies the ...

Philosophy of history - Wikipedia

Hegel's philosophy of history is perhaps the most fully developed philosophical theory of history that attempts to discover meaning or direction in history (1824a, 1824b, 1857). Hegel regards history as an intelligible process moving towards a specific condition—the realization of human freedom.

Philosophy of History (Stanford Encyclopedia of Philosophy)

Philosophy (from Greek: φιλοσοφία, philosophía, 'love of wisdom') is the study of general and fundamental questions about existence, knowledge, values, reason, mind, and language. Such questions are often posed as problems to be studied or resolved. The term was probably coined by Pythagoras (c. 570 – 495 BCE). Philosophical methods include questioning, critical discussion, rational ...
