**A HISTORY OF THAILAND**

A History of Thailand. A highly recommendable introduction in the understanding of contemporary Thailand and it's society. This lively, accessible book is the first new history of Thailand in English for two decades. Drawing on new Thai-language research, it ranges widely over political, economic, social, and cultural themes.

**Good book on Thai history | Thailand—Lonely Planet Forum—**

The history of Thailand since 2001 has been dominated by the politics surrounding the rise and fall from power of former Prime Minister Thaksin Shinawatra and the subsequent conflicts between his supporters and opponents. Thaksin and his Thai Rak Thai Party came to power in 2001 and became very popular among the electorate, especially rural voters. Opponents, however, criticized his authoritarian style and accused him of corruption. Thaksin was deposed in a coup d'état in 2006, and Thailand has

Siam/Thailand has a history of dictatorship, cold war, and exploit of natural resources. A history of Thailand is a good overview of a development of a nation in the times of colonialism, cold war, and globalization. Throughout the book I could find similarities with our history, and how the nation was formed.

**Edtions of A History of Thailand by Chris Baker**

**A History Of Thailand Chris**

A History of Thailand offers a lively and accessible account of Thailand's political, economic, social and cultural history. This book explores how a world of mandarin nobles and unfree peasants was transformed and examines how the monarchy managed the foundation of a new nation-state at the turn of the twentieth century.

**A History of Thailand by Chris Baker—Goodreads**

In A History of Thailand, Chris Baker and Pasuk Phongpaichit reveal how a world of mandarin nobles and unfree labour evolved into a rural society of smallholder peasants and an urban society populated mainly by migrants from southern China.

**Chris Baker and Pasuk Phongpaichit, A History of Thailand—**

History of Thailand. The country's designation as Siam by Westerners likely came from the Portuguese. Portuguese chronicles noted that the Borommatralokkanat, king of the Ayutthaya Kingdom, sent an expedition to the Malacca Sultanate at the southern tip of the Malay Peninsula in 1455.

**Amazon.com: A History of Thailand eBook: Chris Baker—**

For me, DK Wyatt's Thailand:A short History is still the most 'edible' of all histories out there, especially if you have used Osborne's book and understand not only the limitations of studying Thai history but also the rather complex shifting of power particularly during the Lan Na and Ayutthya periods.

**History of Thailand—Wikipedia**

Having visited Thailand a couple of times I knew some of the basic history. This book helps fill in the gaps in my knowledge and tells the story of Thailand from the pre-nation days. The focus is mainly on the 20th century and to some extent the mid- to late- 19th.
