AMS Construction Parts—Case 580C Backhoe Transmissions The 580C should have a lever on the left side of the steering column. F-N-R, as you stated above. If it's like my 480C, it will have a manual 4 spd. trans., with a torque converter in front of it. Put lever in neutral to change gears, and best if stopped. It's also a lot easier on the torque converter if you completely stop when changing directions.
