I understand that for optimum results the post-peel instructions must be followed utilizing skin care products recommended by Dr. and his Nurse. I understand the warning signs of problems and know to call the office immediately. INITIAL_____ By my signature below, I acknowledge that I have read this Consent form and understand it.

SKIN CONSENT FOR SKINMEDICA® CHEMICAL PEELS

What can a chemical peel do? The results achieved from a chemical peel depend upon the agent used for the peel. Chemical peels are used to regenerate the skin. The regenerated skin is usually softer, smoother and has a more even texture. Fine lines and wrinkles are frequently improved with medium depth chemical peels.

The easiest way to get a legally binding
consent document is by using a consent
form. In a medical environment, this
means getting a patient, a caregiver, a
babysitter, or the parents of the patient
to consent to a treatment procedure
before the operation starts.
