A renowned theologian, Oden provides a consensus view of the Christian faith, delving deeply into ancient Christian tradition and bringing to the contemporary church the best wisdom from its past.

~~Classic Christianity: A Systematic Theology: Thomas C ...~~

Classic Christianity is arguably the most helpful systematic theology text I have ever read. Oden's purpose in laying this out is not to present his own positions, but rather to attempt to summarize the theological consensus of the Early Church. While the book is highly readable in its own right,...

~~Classic Christianity A Systematic Theology~~

Classical theology is most commonly used to describe the religious beliefs and doctrines that have been traditionally associated with mainstream Christianity in the Western world and that have been regarded by many Christian churches and theologians as authoritative. Like other theologies, classical theology contains a systematic set of beliefs ...

~~Classic Christianity PDF - books library land~~

Systematic theology is a discipline of Christian theology that formulates an orderly, rational, and coherent account of the doctrines of the Christian faith. It addresses issues such as what the Bible teaches about certain topics or what is true about God and his universe.
