"Discourses on the First Ten of Titus Livy") is a work of political history and philosophy written in the early 16th century (c. 1517) by the Italian writer and political theorist Niccolò Machiavelli, best known as the author of *The Prince*. The *Discourses* were published posthumously with papal privilege in 1531.

Machiavelli's Discourses instead explains how the world "is" and because of this is not a work of mere philosophy but of prophecy. Machiavelli notes that people's "passions and desires" are the same in the present as in the past and at his frequent best, he unearths these eternal penetrating truths of
