Top 30 Evinrude Reviews - ConsumerAffairs

Evinrude E-TEC 115 Horsepower Outboard Evinrude ETEC Outboard Motors Require No Break-in Period These Direct-Injected Two-Stroke Offer Enviably Fuel Economy And Blistering Acceleration. Evinrude raised more than a few eyebrows when it first introduced its potent V-6 E-TEC outboards.

Evinrude E-TEC 115-hp Outboard Engine 2011 Performance ...

The Evinrude E-TEC G2 115-HP H.O., which stands for High Output, (10% above the engine's horsepower rating), has additional features the other new 3-cylinder engines do not. All the new 2-stroke G2s have the ability to be steered via wheel with Evinrude's built-in hydraulic steering, but the 115 is also available with tiller steering.

Evinrude E Tec 115 Reviews

Evinrude's E-TEC 115 has not only billed itself as a stand-alone powerhorse, but also as a likely upgrade to the venerable 90 E-TEC. In our opinion, this 115 E-TEC has enough power to handle hard running offshore, as well as vigorous watersports inshore. Key Features. No inspections or adjustments, no changing gearcase lube, no spring tune-ups.

2008 115HP E-Tec Problems - Evinrude Outboard Motors

Both the V-4 115 H.O./130 and the 25/30 fill holes in the Evinrude E-TEC line (www.evinrude.com), but the 25/30 is probably most significant because the 2008 line came to a big dead end at 40 hp. In my neck of the woods, this leaves dealers with no kickers to rig on walleye boats next to a bigger Evinrude main engine, and no models in the 'portable' category for small fishing boats.

Evinrude | REVIEWS

Bought this 2008 115hp E-Tec after owning and running used motors for 40 yrs. I liked the idea of not having to sit at ramp waiting for motor to warm up, flood out, etc would be nice. But since i have had this new motor in 2008 have had 2 fuel injectors go out #1 cyl and #2 cyl. #1 cyl went out still under warranty and BRP fixed it no charge. #2 cyl went out after my 3 yrs were up but less than ...

Review: Evinrude E-Tec 115HO - Fishing World

One of the innovations added to the Evinrude E-TEC G2 115 HO is an easily removable top cover that provides access to the 7.2-litre tank that feeds two-stroke oil into the engine. The company also says buyers have the choice of more than 300 colour options for the engine's side panels, top panels and accent (also called the "swoosh") stripes.

Yamaha VMAX SHO 115 vs. Evinrude E-TEC 115 - Boat Trader Blog

SEE FULL PRODUCT REVIEWS. 01/11/2018. Evinrude Brand - Freshwater Fishing . Evinrude, a subsidiary of Canada-based BRP Inc. is the only outboard manufacturer in Australia to receive environmental certification for its entire two-stroke E-TEC engine range.

Evinrude E-TEC 115 Horsepower Outboard Motor Review

The Evinrude E-TEC 115 HP is the most popular V4 in the outboard family and tens of thousands power mid-size boats all over the US and around the world. It was introduced over 9 years ago and is still in production and a best seller.

2018 Evinrude E-TEC 115 HP E115DSL Outboard Motor. When the fish are biting, time is of the essence. An Evinrude E-TEC engine keeps time on your side with the quickest time to plane. 2018 Evinrude E-TEC 115 HP E115DSL Outboard Motor

Evinrude E-TEC - 15 to 150 hp outboard engines | Evinrude ...

The Evinrude E-TEC G2 outboards, now available in the 150 to 300 hp range, often stir mixed emotions among anglers. They look radical—some would use different words to describe the optics—and can be color-customized to match your boat. But while this is the first impression they make, it's also the least important.

The Outboard Expert: More New 2009 Models from Evinrude ...

Have 08 115 etec with close to 300 hours on it and since about 160 hrs have been having a lot of problems with the motor serging and losing power, dropping around 1000rpm to 2500rpm then coming back up. Also now very slow to get on the plane and lack of top end with very poor fuel economy. Have had 2 sets of plugs replaced, map replaced, fuel tank cleaned and filters and bowl replaced, exhaust ...

Evinrude E-TEC Family of Outboard Motors Review

Evinrude's E-TEC G2 series may be the new nemeses of four-strokes in the 200 - to 300-hp range. One last thing to consider when comparing two-strokes to four-strokes is the hassle factor. As you likely know, larger two-strokes require regular and fairly expensive topping off with two-stroke oil, either into a remote tank or one that's integrated under the engine cowling.

Evinrude E-TEC 115-hp | BoatTEST

Review: Evinrude E-Tec 115HO. ... This comparison review is merely an opportunity to discuss the differences of each outboard I have had experience with to allow punters out there looking for similar outboards to make informed choices. ... the price for a 90hp Suzuki four-stroke was about \$13,078 and the E-TEC 115 was available for \$15,500.

2020 Evinrude E-TEC G2 115 HO review - www.boatsales.com.au

My 2008 Evinrude E-TEC 115 has been flawless. 491 hours of fishing, trolling, waterskiing and tubing and not a hiccup. Great engine. Dealer has been great for 3 year services.

Evinrude Etec 115 HP good performance engine at

The auto winterization feature fogs the engines itself in minutes, with no trip to the dealer. An Evinrude E-TEC engine does not require belts, camshafts or exhaust valves, which means there are fewer parts to wear down or malfunction than a four--stroke outboard.
