Feminisms in Social Work Research: Promise and ...

An intersectional feminist approach is a useful lens for examining the complex and intersecting power dynamics in social workers' responses to homelessness. However, the "doing" of intersectional feminist research in the Australian context is complicated and contested.

Feminisms in Social Work Research: Possibilities for ...

From the 1970s onward, feminist social work began to develop as a professional theory within the field (Kemp & Brandwein, 2010), through, for example, challenging of the medical discourse in clinical mental health frameworks, challenging patriarchal gender role division in work with families (Goodrich, Rampage, Ellman, & Halstead, 1988), and analyzing and disputing gender power relations in group work (Garvin & Reed, 1995).
