TAUGHT ME ...*

## Read Book Finding Your Own True North And Helping Others Find Direction In Life

To find true North at night without a compass, locate the North Star if you live in the Northern hemisphere, which is the last star in the handle of the Little Dipper constellation. To find true North during the day, place a stick straight up in the ground and mark where the stick's shadow lands with a rock. Repeat this again after 10-15 minutes.

*Introducing: Discover Your True North | HuffPost*

"Finding Your Own North Star" helps you make sense of your life and find sources of unhappiness and happiness around you through self-examination and gentle suggestions. Exercises are present throughout the book to help you along. Most of all, "North Star" tells you to listen to your own body.
