Strategy as Stretch and Leverage - Harvard Business Review

Sometimes your competition can be a great ingredient to help you grow. Here are 8 proven strategies to leverage your competition to help you grow faster.

Flowing Stream Strategy: Leveraging Strategic Change with ...

The main proposition of the book is that the strategic management of change could be better leveraged with clear understanding of continuity of the organization and consciously managing the vital and desirable areas of continuity along with change, rather than leaving the continuity to be managed by default.

Flowing Stream Marketing - Marketing Consulting & Business ...

This style of marketing is essential in creating a strong brand and sustainable growth; innovation, acquisition, new markets and new products are all activities that support upstream marketing strategies. The analogy commonly used to explain upstream and downstream marketing, and how they work together, is that of the 'dangerous stream'.
