study of Electrical Engineering Drawing is essential. In the Part-I Diploma in Electrical Engineering course, the students were acquainted with fundamental of Projections and simple drawing.

Electrical Engineering — RightHand Technologies

I (21F) am just entering my second year as an engineer-in-training and I am working as a civil engineer at a consulting engineering firm. I enjoy my job but it is admittedly probably more stressful than other career paths within engineering. On top of that, my supervisor abruptly left a month ago to go work at a competing engineering firm.
