SAGE Reference - Handbook of Political Theory

This article examines the methodology of a core branch of contemporary political theory or philosophy: "analytic" political theory. After distinguishing political theory from related fields, such as political science, moral philosophy, and legal theory, the article discusses the analysis of political concepts. It then turns to the notions of principles and theories, as distinct from ...

contested field of political theory, and will help set the agenda for the field for years to come. Forty-five chapters by distinguished political theorists look at the state of the field, where it has been in the recent past, and where it is likely to go in future.

Overview of Political Theory - Oxford Handbooks

An incisive, broad-based overview of political communication, the Oxford Handbook for Political Communication assembles the leading scholars in the field of political communication to answer the question: What do we know and need to know about the process by which humans claim, lose, or share power through symbolic exchanges? Its sixty-three essays address the following five themes: contexts ...

Methodology of Political Theory - Oxford
Handbooks

International Political Theory (IPT)
focuses on the point where two fields of
study meet - International Relations and
Political Theory. It takes from the former
a central concern with the 'international'
broadly defined; from the latter it takes
a broadly normative identity. IPT studies
the 'ought' questions that have been
ignored or side-lined by the modern
study of International Relations ...
