Freedman, D. P. and Weinberg, G. M.  
“Handbook of Walkthroughs, Inspections  
and Technical Reviews”. Dorset House,  
1990. Good practical guidebook, full of  
sensible advice about conducting  
reviews. Not so strong on the data  
collection and process improvement  
aspects of Fagan inspections, though.

This is the book I use for my approach to inspections on FDD projects. I used forms straight out of this book and my inspection system (the publishing, the feedback loop though to dynamic checklists and related issues, etc.) were all heavily influenced by this book.
