Norris' helping hand to mechanics nothing new, he says | RACER  
Jonathan Luther "Casey" Jones (March 14, 1863 – April 30, 1900)  
was an American railroader who was killed when his passenger  
train collided with a stalled freight train at Vaughan, Mississippi..  
Jones was a locomotive engineer for Illinois Central, based in  
Memphis, Tenn, and Jackson, Miss.He was noted for his  
exceptionally punctual schedules, which sometimes required a  
degree of risk ...

STEM curriculum for K-12 - TeachEngineering

Cornell Baja Racing. Cornell Baja Racing is an engineering project team which annually designs, builds and races an off-road vehicle to compete in the SAE Collegiate Baja Design Series. By encouraging hands-on engineering and project-based learning, Cornell Baja takes engineering out of the classroom (and onto the track) for 40 students annually.
