The Warre Hive!A few months ago, a friend directed me towards a website for a company called Bee Thinking. Aside from one of the coolest names I had heard for a honey bee oriented company, I realized that they were as passionate about their work as I feel that Savannah Bee Company is about our work. This was back during the winter when a few friends of mine and I were putting together plans ...

Introduction While bees are incredibly resilient, they do face challenges. From robbers to Smal Hive Beetle to American and European Foulbrood, from Nosema and Chalkbrood to Trachael mites and more, it's amazing they survive so well. But they do and that's a testimony to the way they establish, grow and maintain the colony, the...
