The movie, like the book, proposes that, during surgery, young Colton (who never died on the operating table) somehow visited heaven, proving that the afterlife exists.

Retold by his father, but using Colton's uniquely simple words, Heaven is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child.
