~~Introduction to Heraclitus~~

According to Diogenes Laertius, Heraclitus was at his prime (40 years old) in Olympiad 69, 504/503 BC - 501/500 BC, and we are told by Diogenes and earlier by Plato that Heraclitus was from Ephesus. This book is a translation and commentary on the fragments of Heraclitus about nature rather than about man (ethics, the soul, epistemology, politics).

~~What's the significance of Heraclitus' The Cosmic Fragments?~~

“The soul is dyed the color of its thoughts. Think only on those things that are in line with your principles and can bear the light of day. The content of your character is your choice. Day by day, what you do is who you become. Your integrity is your destiny - it is the light that guides your way.”
— Heraclitus.
