High-Risk Pregnancy: Management Options edited by David James

High Risk Pregnancy: Management Options. Obstetric care is changing. More and more women with low risk pregnancies are being cared for by midwives and general practitioners in the community. This process has been accelerated by the Cumberlege report. High risk pregnancies, however, remain the remit of the obstetrician.

High-Risk Pregnancy with Online Resource: Management ...

Authors supply enough information to provide an understanding of our current state of knowledge about a particular pregnancy problem and to construct a paradigm for evaluation and treatment. The particular details concerning a disease state may change, but the paradigm, if well constructed, is more durable over time.
