High Tech, High Touch™ - Where 'Ships Get Built

The high-tech, high-touch customer experience. As tech-savvy as customers have become, the majority still prefer a 'human touch' when interacting with their favorite products and brands. This is particularly true for the modern traveler where the emphasis is on the 'experience'.

The High Tech, High Touch Economy - New Vision

In the case of the high-tech borrower, lenders are also challenged to somehow bring the human touch to a digital format. To balance high-tech with high-touch (and to increase the lifetime value of the customer), the role of digital tools in lending should be one of augmentation versus replacement of traditional customer strategy.

High Touch High Tech of Connecticut

High Tech, High Touch. Toffler was emphasizing one point with these words. You can have all the high tech you want, but without high touch, it won't work well. In this day of division, with many taking "sides", what can we do to help this situation? The answer is also in the four words: High Tech, High Touch.
