The eleven-plus (11-plus) is an examination administered to some students in England and Northern Ireland in their last year of primary education, which governs admission to grammar schools and other secondary schools which use academic selection. The name derives from the age group for secondary entry: 11-12 years. The eleven-plus was once used throughout England and Wales, but is now only ...

## **11 facts you need to know about the Common Entrance exam ...**

To pass an exam, start by working through it and skipping any questions you don't know the answer to so you're not using up all of your time. Then, once you've answered all of the questions you know, go back and try to do the ones you skipped. Do the questions that are worth the most points first, and then move on to the less-important questions.
