really good shape. It functions like it should in that the reels spin, variable speed works and other functions also. It does seem to need a light bulb in that the lamp won't come on. The box is in very poor condition but it exists which is cool!

Fast forward to  
yesterday, when a  
lovely Keystone 2500  
projector that looks a  
lot like the Eumig610  
was in Value Village for  
\$10!!! With vari-speed  
playback to adjust for  
less video flicker! It

didn't actually WORK  
for ten bucks! LOL Got  
it home, popped it  
open, and gave it a  
little push, and it un-  
sized! Looks like it's  
okay...
