*Land Law: Text, Cases & Materials - Law Trove*  
'Modern Land Law' by Martin Dixon I disagree with the above poster: I found Property Law by Roger Smith very useful indeed. However, it is the kind of book that is best used once you already know your land law reasonably well (i.e. you read it after reading another book/lecture notes and before exams) - don't use it as the book you read first when you start a topic.
