Lay That Jolly System

The LayThatJolly System shows you how to place your bets and how to work out how much you will win. The LayThatJolly System is far easier to use than many other systems that are available, but at the same time it is far more powerful, because it uses selections that have proved day in and day out, that they win.

The Double Lay Racing System, as the name suggests, is a laying system for Horse Racing in the UK, using some simple indicators to identify your bet. It is the type of system you will read and think "this is too simple", I must have missed something, but you would be wrong, it is actually that simple!

Maria Laying System - How To Make Money - Premiership Tips

In a nutshell, a laying system is a set of rules which can be rigidly followed in order to identify horses which are trading at odds shorter than their true chance of winning. For instance, if horses that align to a set of rules win only once in ten (i.e. 10%), and yet they have an average starting price of 6/1,...

I've reached the end of my month long trial with the LayPro88 system, so it's time to try to draw some conclusions from the results. As I have actually been logging the results of the system since the 24th September, I thought it would be more useful to base the conclusions on the 3 months worth of data, rather than a single month - and, as discussed in an earlier post, I will also look ...
