## **Learning Java by Building Android Games - Second Edition**

I have been practicing Java for a while

## Get Free Learning Java By Building Android Games

now, but I do not feel like I've learned much despite building a few mobile apps and a simple rpg. For those I mostly followed YouTube tutorials and books, I think the reason I am not doing so well in Java might be that while I was learning the basics I didn't get more than a basic grasp of it so when I moved up to bigger stuff I got even more
