Learning Javascript Tim Wright It

Using line-by-line code walkthroughs and end-of-chapter exercises, top web developer and speaker Tim Wright will help you get results fast, even if you've never written a line of JavaScript before. Smart, friendly, enthusiastic, and packed with modern examples, Learning JavaScript covers both design-level and development-level JavaScript.

Learning JavaScript

Tim Wright's book presents in a unique, easy read way, the fundamentals and the concepts behind JavaScript. The author does a great job of presenting the language without being too overwhelming with information and I think this makes it a very useful book for anyone who wants to learn JavaScript or to get to know the fundamentals better.
