Macmillan Learning Community. We aspire to be a community that connects instructors with other teachers, scholars, authors, and editors, as well as with a library of resources for teaching and learning.

Amazon | Learning Teaching: The Essential Guide to English ...

Using participation-based learning such as shared listening and reading exercises, Macmillan English encourages children to work together, which helps build their confidence. Traditional EFL methods are reinforced with phonics and sentence-building activities, giving children who are adapting to English as a second language the tools they need to start mastering it.
