life span chapter 1 sigelman Flashcards and ... - Quizlet

Carol Sigelman uses a topical approach blended with an age/stage approach to present life-span development as a motion picture rather than a  
series of snapshots. In this book, students will find numerous real-life examples and analogies that take the mystery out of the human life  
experience.

---

Life-Span Human Development by Carol K. Sigelman

Within each chapter, you will find sections on four life stages: infancy, childhood, adolescence, and adulthood. This unique organization enables  
students to comprehend the processes of transformation that occur in key areas of human development.
