Hi all, I'm trying to locate a tab book of Lightnin' Hopkins' signature licks. I know there was one by Dan Bowden, published by Mel Bay, but its out of print.I find it hard to believe there's no other book on this seminal Texas blues artist.

Lightnin' Hopkins Chords & Tabs : 20 Total @ Ultimate ...

Description. Although Lightnin' Hopkins was best known for playing fingerstyle guitar, this lesson is a series of Lightnin' Hopkins guitar licks, played with a pick on acoustic guitar (although you could do this with electric as well). This 2 part lesson works well on it's own, with no accompaniment and can be played by beginners, intermediate, or advanced players.

Yes you could be more precise with this lick and use one finger per string on the top two strings middle and ring or maybe index and middle. But its the brushing up with one finger that gives the lick its particular feel just because thats the way a guy like Lightnin Hopkins would have done and did do it himself. Where you go with it is up to you Im just here to provide a little context.

Guitar of Lightnin' Hopkins

In this edition of In Deep, we'll be taking a look at the guitar work of two essential early blues guitar masters: John Lee Hooker and Lightnin' Hopkins. John Lee Hooker was born in 1917 in Coahoma County, Mississippi, and learned to play guitar from his stepfather, Willie Moore, who, conveniently for John Lee, was friends with Blind Lemon ...
