Medicine Recall and Advanced Medicine Recall. This series was inspired and based on the format of Surgical Recall. Our challenge in the fourth edition was to update the book to keep pace with the ever-changing field of medicine and to once again be responsive to the valuable feedback by the readers and reviewers.

This book is written in the rapid-fire question and answer format of the Recall Series, with the question on the left side of the page and the answer on the right. Mnemonics are interspersed throughout. Additional chapters in Advanced Medicine Recall include Environmental Medicine, Psychiatry, and The Consultant. The focus of the advanced material is on differential diagnosis, patient management, and disease management.
