A mixtape is a compilation of music, typically from multiple sources, recorded onto a medium. With origins in the 1980s, the term normally describes a homemade compilation of music onto a cassette tape, CD, or digital playlist. The songs are either ordered sequentially or made into a continuous program by beatmatching the songs and creating seamless transitions at their beginnings and endings with fades or abrupt edits. Essayist Geoffrey O'Brien described this definition of the mixtape as "perha

Since the album's debut last March, the Minneapolis-based trio has earned serious praise. Dalager and her two band mates, Brad Hale (drums) and Jess Abbot (guitar) had already spent time on the road with Paramore and opened for Mates of State when they made their first television appearance on Fallon last November, and before long they were everywhere.

"The mix tape is a list a quotations, a poetic form in fact: the cento is a poem made up of lines pulled from other poems. The new poet collects and remixes. Similarly an operation of taste, it is also cousin to the curious passion of the obsessive collector. Unable to express himself in 'pure' art, the collector finds himself in obsessive acquisition.
