### Paws

The captivating story of how determination and an amazing canine partner can combine to overcome huge difficulties. Wendy Hilling has a rare condition which means her skin is immensely delicate and her throat is so narrow that she can stop breathing at any time. Enter Teddy Edward, a Golden Retriever who becomes her full-time carer and

### Tommy Hiller He Saved Me

I feel embarrassed reviewing a book with such a sentimental title, but it would be dishonest not to at least stop by for a minute and say that this is a marvellous read for animal lovers. I love animals, and in spite of having my fingers burnt a hundred times over I still reach up onto the library ...
