Very Nice Q Link 250 Commuter Motor Scooter. It has a radio & cassette player, but I never used it. It is located in the trunk. Comes with a nice helmet. 2007 model with 3600 miles on it. I checked the mileage on it a couple of times. Was close to 70 mpg. Starts & runs well.

experience was good and the salesperson was knowledgeable and friendly. After 180 miles of careful driving to break in the motor, we experienced a problem with one of the scooters.
