Sexuality. Catholics for Choice respects and affirms the personal autonomy of all people in regard to sexuality. CFC works to counter the impact of negative sex messages from the Vatican and to promote a holistic approach to sex and sexuality.CFC promotes an honest conversation about sex that is grounded in the realities of real Catholic people by:

Pre-marital sex is an individual choice - Times of India

The purpose of this study is to examine the role of religion in individual investment choice decision. In particular, the study sought to identify whether religious affiliation and religiosity affect individual decision to choose to invest part of their retirement savings in the approved unit trusts.

Religion and Individual Investment Choice Decision: The ...

When you say quite matter-of-factly that homosexuality is a choice, I'm not sure you really know in that moment, just what you mean by "homosexuality". Far too often Christian, when you make the statement that being gay is a sin, what you're really doing without realizing it is reducing all LGBT people down to a sex act -- as if that alone defines sexuality.

Culture and religious beliefs in relation to reproductive ...

The choice they make could influence the rest of their lives. This is the choice of having sex before marriage. To make this decision, they must see what is morally right and what would be the consequences if they did decide to have sex before marriage.

Opinion | Make religion an individual choice | Opinion ...

However, non-affirming religious beliefs about same-sex attraction or gender identity (and similarly non-LGBT friendly congregations) can actually exacerbate minority stress, specifically internalized homophobia, which itself is associated with increased suicidal thoughts. 3.4 The good news, though, is that affirming religious beliefs can help ameliorate these stressors and negative outcomes. 5

How can religion and spirituality influence my sexual ...

Religion can be a powerful influence on sexual attitudes and behaviour for many individuals. It can often form a society's viewpoint towards human sexuality. When a particular religion is practised by many people in a society, it contributes to that society's culture and influences those who don't practice religion [4].
