7 Stages of Spiritual Alchemy * LonerWolf

The terms sulfur, mercury, and salt are just code words used to describe the body, soul, and spirit any given substance. In the past, alchemy and it's practitioners were seen to have gone through their fair share of persecution and discrimination. Many ancient manuscripts used coded language to hide the true meanings of valuable information.

Alchemical Sulfur, Mercury and Salt in Western Occultism

Lastly, Salt symbolizes the physical body and matter through which the soul and its life force works. It is base matter, the element of Earth and Water. Salt is the constrictive force, the opposite of Sulfur, and displays the process of condensation and crystallization in chemistry.
