Shiang is a brilliant follow up to Book One of Empire of Salt, Darien. Introducing the neighbouring kingdom of Shiang and its people was a great move by C.F. Iggulden. I did get a bit confused by the fact 3 of the main characters from Book 1 are not seen or heard of at all in this sequel, but that said, it's a fantastic story with well-developed characters, and I can't wait to read the third book.

~~Empire of Salt Series by Conn Iggulden - Goodreads~~

This exciting book is the 2nd part of the "Empire of Salt" trilogy. It's something quite different from what I was used to from this author, but still this is an amazing fantasy tale. As always storytelling from this author is of a superb quality, and all his characters come vividly to life within this astounding fantasy adventure.
