Some repair shops create their own maintenance schedules, which call for more frequent servicing than the manufacturer's recommendations. Compare shop maintenance schedules with those recommended in your owner's manual. Ask the repair shop to explain — and make sure you understand — why it recommends service beyond the recommended schedule.

A military, also known collectively as
armed forces, is a heavily armed, highly
organized force primarily intended for
warfare. It is typically officially authorized
and maintained by a sovereign state,
with its members identifiable by their
distinct military uniform. It may consist of
one or more military branches such as
an army, navy, air force, space force,
marines, or coast guard.
