Soccer in Sun and Shadow is a string of hundreds of little vignettes, pen portraits, anecdotes, and mini-essays, each with it's own heading, sometimes two or three pages long but often just a couple of paragraphs. Soccer in Sun and Shadow traces the rise of the soccer industry and the concurrent voyage "from beauty to duty": attempts to impose a soccer of lightning speed and brute force, one that disdains fantasy and forfeits play for results. Eduardo Galeano, who describes himself as "a beggar for good soccer," gives the world's most popular sport all the poetry, passion, and politics it deserves.
