Supplier of lasers, optoelectronics, spectrometers and related accessories. Photonic Solutions. As we navigate these uncertain times we want to let all our customers know we are still open for business, but we have implemented several preventative measures in-line with the UK Government guidelines.

Kasap, Optoelectronics & Photonics: Principles & Practices ...

We are a globally operating technology group, optical technologies are the very basis of our business with the majority of our products and services being provided to the photonics market. Our key target markets primarily include the semiconductor equipment industry, the medical technology, automotive and mechanical engineering, traffic, aviation as well as the security and defense technology ...
