Something Happened By Joseph Heller Something Happened is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum's brain -- recording what is going on at the office, as well as his fantasies and memories that ...

*Something Happened By Joseph Heller*

In my opinion, this is Joseph Heller's best novel, bar none. Something Happened is Mr. Heller's second novel, published in 1974 and is thirteen years after his great first novel, Catch-22. The protagonist Bob Slocum, narrates the story in his stream of consciousness about his family, his childhood, and sexual escapades.
