Indigenous Justice Systems and Tribal Society. Indigenous justice systems are based on a holistic philosophy. Law is a way of life, and justice is a part of the life process. by Ada Pecos Melton . IN MANY CONTEMPORARY TRIBAL COMMUNITIES, dual justice systems exist.

### Indigenous Justice Systems and Tribal Society by Ada Pecos ...

This course will examine Indigenous perceptions of justice that may pose challenges to Western ideas and practices of law justice. It will also examine the influence of Western demands of rule of law and economics on Indigenous justice systems, specifically in terms of producing justice systems that have meaning to indigenous peoples and preserving ancestral values for future generations.

### ID/LY308 BR2 - Indigenous Forms of Justice

The Comunitaria justice system is recognized not only by indigenous communities but also by the mestizos in the municipal centers, who go to the community authorities seeking justice; they know that their issues will be taken care of without being asked for money. The communitarian justice is effectively an open space and does not exclude anyone.
