Rank: 5 out of 19 tutorials/courses. Yeah, that's the rank of Spark in Action, Second Edition amongst all Apache Spark tutorials recommended by the data science community. Check out the top tutorials & courses and pick the one as per your learning style: video-based, book, free, paid, for beginners, advanced, etc.

~~Spark in Action~~

Spark in Action. Working with big data can be complex and challenging, in part because of the multiple analysis frameworks and tools required. Apache Spark is a big data processing framework perfect for analyzing near-real-time streams and discovering historical patterns in batched data sets. But Spark goes much further than other frameworks.

Customize your video to make it your own. Using Adobe Spark as a free video maker simply couldn't be easier. After selecting the "Video" option from the main menu, you'll be taken to a title screen — where you can give your video project a title. Enter some text, or skip this stage and head straight to the design interface.
