The book is titled "Starting Out: The French," which sort of implies the reader needs some pointers because he or she is looking into the opening. Kind of a hint to get about as basic as possible for the first five-to-ten moves, explaining things like "the point of the opening is this, these are the types of opening traps and tactics you may face, these are common middlegames and endgames you'll get or shoot for.

Book French is what you'd study in a school, where you follow typical grammar lessons and learn vocabulary. Learning Book French teaches you the structure of French, and you cannot master French without it. Modern spoken French uses all these rules, but with strong pronunciation variations and sometimes softer grammatical structures.
