A study guide is a great way to condense important information you need to know for a test. This lesson will detail some tips and strategies to create the best study guide possible.

Online GUID Generator

Like the grid, guides do not print. You can choose between two guide styles—dots and lines—and you can change the color of guides by using either predefined guide colors or colors you select using a color picker. By default, guides are unlocked so that you can move, modify, delete, or revert them, but you can choose to lock them into place.
