Sheri Berman: The social democratic moment. Ideas and ...  
Explaining why these two social democratic parties acted so differently is the primary task of this book. Sheri Berman's answer is that they had very different ideas about politics and economics—what she calls their programmatic beliefs. The Swedish Social Democrats placed themselves at the forefront of

Sheri Berman: The social democratic moment. Ideas and ... Social democracy is a political, social and economic philosophy that supports economic and social interventions to promote social justice within the framework of a liberal democratic polity and a capitalist-oriented economy. The protocols and norms used to accomplish this involve a commitment to representative and participatory democracy, measures for income redistribution, regulation of the economy in the general interest and social welfare provisions. Due to longstanding governance by social d

The Social Democratic Moment — Sheri Berman | Harvard ... This study in comparative politics takes two countries with similar historical experiences in the late 19th and early 20th centuries and asks why they had very different responses to the same natural shock -- the depression of the 1930s. In analyzing their responses, Berman makes a convincing case for the
