Thinking Differently : An Inspiring Guide for Parents of Children with Learning Disabilities by David Flink Overview - An innovative, comprehensive guide--the first of its kind--to help parents understand and accept learning disabilities in their children, offering tips and strategies for successfully advocating on their behalf and helping them become their own best advocates.

**Thinking Differently: An Inspiring Guide for Parents of...**

Thinking Differently: An Inspiring Guide for Parents if Children with Learning Disabilities It is a good primer for someone starting their journey with learning challenges (personal or child(ren)). It is very empowering and encouraging which is helpful because the journey for getting services can be quite tricky.

**Thinking Differently: An Inspiring Guide for Parents of...**

Thinking Differently will not overwhelm parents with legal jargon, but it will guide them through what laws are on their side and what they can insist that schools provide for their child. With compassion and hope, Flink describes the importance of testing and diagnosis to equip parents with the tools they need to advocate authoritatively on their child's behalf and to seek the most effective accommodations—from technology to extra time and medication—to guarantee that their child ...
