The Spanish-American War was called "a splendid little war" due to its short duration of four months and its low amount of US casualties in battles.

However, it was not a "splendid little war" since 2,000 Americans died from tropical diseases, and African-American soldiers who served during the war

Little Wars The Spanish-American War - Wikipedia

The Splendid Little War

The famous quote by
American Ambassador

John Hay that the

Spanish American War
was a “splendid little
war,” was a

comprehensive

statement. In our day

and age such a

statement might be

looked on with some

disdain, as it seems to

revel in a bloody

conflict, as all wars are.
