Ruminant Immunology Guest Editor:
Christopher Chase. Few fields have seen
such growth in information as
immunology. It has been over 15 years
since the last issue of Veterinary Clinics
of North America: Food Animal Practice
contained an issue on ruminant
immunology. The aim of this issue was
not to provide proscriptive vaccine
protocols but to guide the reader to the
current concepts and ...

~~Veterinary Clinics Of North America~~
x Pulmonary function tests (PFTs) are
important diagnostic tools that have
wide clinical applications in human and
veterinary medicine. Widespread use of
PFTs in measuring lung volumes in
veterinary medicine was historically
limited by the need for specialized
equipment to accurately perform and
