you're either trying to mix paint, chalk, make-up, or even play-doh. Either way, we will share with you the theory behind mixing colors and how this can be done easily. Keep reading...

~~Why 'playing hard to get' may actually work~~ : NewsCenter

Red foxes hunt independently, rather than in groups. Screaming Sound. The scream of a red fox is a memorable one, with its high-pitched tone that is not too dissimilar from a wail of a human female. Their screaming also often is husky and monosyllabic in nature. When they scream, they often do so in sets, stopping and then starting up again in ...

## ~~Red (play) - Wikipedia~~

While playing hard to get is a common strategy used to attract mates, Birnbaum and Reis found that past research has been unclear about whether, and if so, why this strategy works—questions they sought to address in the latest study. The duo tested the hard-to-get tactic across three interrelated studies.
